THE COLORED PEOPLE PROTEST.

Resolutions Against the Separate Coach Bill Adopted in Covington.

A meeting of Covington's colored citizens was held a few evenings since to take action in regard to the Separate Coach Law. Resolutions were adopted as follows:

WHEREAS, The Constitution explicitly affirms that "All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States, and of the state wherein they reside;" and that "No state shall make or enforce any law which abridges the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty or property, without due process of law, nor deny any person within its jurisdiction the equal protection of the law;" and that "The Congress of the United States shall have power to enforce by appropriate legislation the provisions of this article;" Be it—
Resolved, That we organize a "Citizens' Protective League," whose purpose shall be to secure by lawful means the civil rights guaranteed by the Constitution of the United States, and of each state of the Union.

Resolved, That we put ourselves in communication with similar organizations throughout the United States, and work in union with them in securing the same by moral and financial aids.

Resolved, That we denounce the "Separate Coach Act" as unwelcome, inhuman, designed to humiliate and degrade us, and unconstitutional, and that we immediately proceed to raise funds to test it in court.

Resolved, That we solemnly pledge ourselves not to ride upon any road, nor patronize nor encourage any excursion in the state, except in extreme necessity, until the law is repealed or declared void.

Resolved, That a copy of these resolutions be published in all the daily papers of this section, and such others as may be useful in distributing the sense of these articles among our people.

On and after July 1st, paid locals will be inserted in THE LEDGER at 25 cents per line for each insertion.
